Dear Judge Ezra,

DISTRICT OF HAWAII

RE: MOTION FOR APPOINTMENT OF COUNSEL EX-PARTE

Plaintiff William Kotis, CIVIL NO. 04-00167 DAE/LEK moves this Court to override Judge Mallway's orders that restrict Plaintiff from presenting his case entirely, in any type of Favorable light.

Repeatedly I have been denied counsel even though I have very exceptional circumstances to present to the Fact Finder and have no legal knowledge of law, have constantly tried to obtain a lawyer, have not the ability to articulate my claims with all the complexities of legal issues involved and many parameters of the disputed issues in my case. This compounded by the fact that the consolidated inmate in this case, Anthony Nesbit CIVIL NO. 03-00455 was dismissed from this consolidated case a few months ago.

The Judge has denied me Discovery in my case, even denied the appointment of a Discovery Master, has denied me my witnesses on June 5, 2006 including an expert witness. On June 13, 06 while at the Federal Center staff from O.C.C.C. were allowed to go through my court papers while I was not present and totally unaware of this taking place. Now I have very pertinent documents and exhibits to my case missing. This was done by the state as retribution. Also I am being placed in the Federal Center's section known as S.H.U. This retaliation move from general population status was done because of messages the

MOTION FOR APPOINTMENT OF COUNSEL EX-PARTE

Federal officials recieved from State officials that I make weapons and attack guards, the Federal officials told me. This of course is further retaliation and lies since I have been a role model since the tragic event of Sept. 7, 1992 that caused my incarceration.

Your Honor the State of Hawaii has done and is still doing same very evil harm to me. In the best interests of Justice and civility I ask that you protect me and also that you reprimand Judge Mollway and reverse her rulings so that I will have an attorney, discovery and witnesses and a fair trial.

Federal Center
Honolulu, Hawaii
